

Child Find Notice

In compliance with Federal law, Dr. Robert Ketterer Charter School will provide to each protected handicapped student, without discrimination of cost to the student or family, those related aids, services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extra-curricular activities to the maximum extent appropriate to the students abilities. In order to qualify as a protected handicapped student, the child must be of school age with a physical or mental disability, which substantially limits or prohibits participation in or access to an aspect of the school program.

These services and protections for protected handicapped students are distinct from those applicable to all eligible or exceptional students enrolled (or seeking enrollment) in special education programs.

For further information on the evaluation procedures and provisions to protected handicapped students, please contact the Special Education Supervisor at 724-804-7030.
