January 13, 2021

Dear Parents and Guardians,

Dr. Robert Ketterer Charter School is pleased to announce the return to full in-person/face-to-face instruction on January 19, 2021. Transportation times will resume as they were prior to November 2020. Please make sure your child is at their bus stop at least 5 minutes before their scheduled pick-up time and wearing a mask that covers their nose and mouth.

It is important to remember that if face-to-face learning is to continue, we must all adhere to the guidelines and mitigation efforts that have been put in place. It is vital that the guidelines also be followed outside of the school environment as well in order to mitigate the transmission of COVID-19.

The charter school must also follow strict guidelines regarding face mask/coverings and the identification of case(s) of COVID-19 within the school. As a result, it may be necessary for the charter school to temporarily transition one or more buildings back to remote instruction for a period of days or weeks based on the consultation with the PA Department of Health.

**ALL** individuals **MUST** comply with the updated Order of the Pennsylvania Secretary of Health requiring Universal Face Coverings.

Please remember, if your child is experiencing symptoms and/or has had close contact with someone positive or presumed positive for COVID-19 to keep them home from school and contact a building administrator.

We look forward to welcoming our students back to Dr. Robert Ketterer Charter School. If you have any questions, please contact one of the building administrators.

Stay safe and healthy,

Eric Guldin

CEO
